Dear Friend of the Bainbridge Band,

Thanks to the support of our patrons, 2018 was a year in which we continued to play more jobs, expand our geographic coverage, and involve more musicians, including young musicians who are the future of our organization. We could not do these things without your strong support as patrons.

Our 2019 season kicks off with our spring concert in Elizabethtown on Sunday April 28 at 2:30 pm in Deike Auditorium on the campus of the Masonic Village. As with all our concerts, there is no admission charge. After the spring concert, our full season continues with Memorial Day parading, summer concerts, a Veterans Day service, and concludes with our Christmas concert. Follow us at www.bainbridgeband.com or like us on Facebook at "The Bainbridge Band".

As with many public service organizations in recent years, we continue to be challenged by reduced municipal and organizational support for concert costs. The arts continue to take a back seat to other budgeting concerns and that de-emphasis threatens our funding stream. We need patron support now more than ever.

Thanks to your generous support, we have been able to maintain our historic band hall. This season we have two important budgetary costs to cover - buying new music to keep the band's repertoire fresh and relevant; and unanticipated repairs needed for our band hall furnace and roof.

Patron contributions are our only source for meeting these budget obligations.

Town bands, their Concerts-in-the-Park, and the performance of patriotic music are great American traditions and an important part of our culture. Thanks to you we are able to keep the tradition alive!

Very sincerely and with deep appreciation,

The Bainbridge Band
